

We strive to maintain a standard of high quality and efficiency. Our hope is to provide our clients with the same level of service at every location. It is our sincere recommendation that you obtain the following items or similar quality items to use during the rendering of the service.

For training, stretching, and consistency purposes we also recommend that you obtain the suggested materials to provide the customer a warm familiarity feeling.

SUPPLIES

TABLE: Recommended that the table is adjustable and has a shelf below

SEAT BELT STRAPS: Two straps per table

SOFT BOLSTER: One per table

PILLOW: Easy to clean, no pillow case necessary

HYPERVOLT: One per 2-3 tables. Recommended purchasing one that includes several different attachments for client and Therapist preferences

WEDGE PILLOW: One per 3 tables. Consider this if your table doesn't have the ability to prop the client up for those who cannot lay flat
